## VOTE MANAGER

## Vote Manager

The screenshot shows a 'Vote Manager' window with a title bar and a close button. The interface includes a text input for a question, a toggle for custom answers, radio buttons for placement, and an activate button. Numbered callouts point to the following elements:

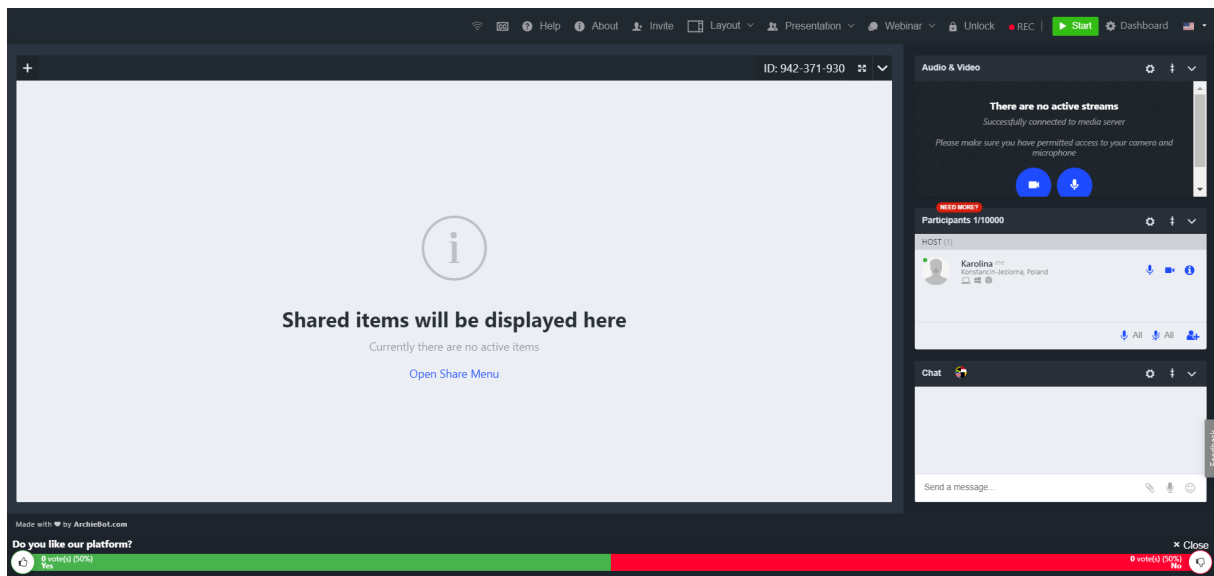

- 1: Question text input field.
- 2: Answers section, including a toggle for 'Use custom answers' and buttons for 'Yes' and 'No'.
- 3: Placement section, including radio buttons for 'Footer of Global layout (default)' and 'Footer of Participant list'.
- 4: Activate button.
- 5: Close button (X icon).

1. **Question** - here you can type your question
2. **Answers** - can be default (Yes/No) or your own if you enable "Use custom answers"
3. **Placement** - the survey can be displayed on the Footer of Global layout or Footer of Participant list (please see Placement)
4. **Activate** - clicking it will activate the survey

## Placement

You can choose between two placements of your footer for voting.

a) Footer of global layout

b) Footer of participant list
