VOTE MANAGER
1. **Question** - here you can type your question
2. **Answers** - can be default (Yes/No) or your own if you enable “Use custom answers”
3. **Placement** - the survey can be displayed on the Footer of Global layout or Footer of Participant list (please see Placement)
4. **Activate** - clicking it will activate the survey
Placement

You can choose between two placements of your footer for voting.

a) Footer of global layout

b) Footer of participant list
